# DONALD JOB

## ARTISTE BIOGRAPHY

Donald Jeremiah Job is a gospel artiste from Trinidad and Tobago known for his soulful voice and expressive performances in English and Spanish. He first gained national attention as the winner of Making the Music Minister 2008 and went on to become the first male gospel vocalist to win Digicel Rising Stars 2009. Donald is now on a journey to be a blessing to the masses both in Latin America and the rest of the world. Prepare for the new songs and great music, the wait is finally over, let's do this!
